The esteemed speaker for the session was Sh. Prem Prakash Meena, IAS 2018, AIR 102. He focused on the contemporary education system in India and imparting education at the micro-level. Having highlighted the issues faced by the students in rural areas, he also enlightened the participants about how rural upliftment paves a way to the overall progress of the nation. He also discussed the pros and cons of our present-day education system, collating it with that of other countries. He apprised the attendees of the NEP, guided us to upskill ourselves and to keep doing different things to yield better outcomes.
