On 29th February 2020, green warriors club Hansraj organized its annual fest- Midori'20 with much anticipated zeal and passion for the environment at the college campus, in the LP area.

In the fest, we organized various competitions related to the environment and also sheltered many NGOs and environmentally-relevant organizations. The main idea behind organizing it was to protect and conserve the mother nature to which we all are indebted.

Midori was organized to promote greenery today, tomorrow and forever. The first was environmentally safe and one fest with zero waste. We also spread happiness everywhere by raising funds for charity through our plants, eco-friendly products and game stalls. The turn out we received was huge and a central point for all passionate environmentalists.
