Name of the Event 3: Plantation Give Away Drive

Date of the Event: 4 November 2019

Green Warriors Club, Hansraj College organised from 4th November to 6th November 2019, a three-day 'Plant Giveaway drive' in our college premise itself.

The purpose of this campaign was primarily to motivate people to plant trees in their locality, a simple and easy step to fight pollution. The plant distributed were free of charge including cactus, pongamia pinnata, and some air-purifying plants like Syngonium, Money plant, Spider plant, etc. In a span of just three days, we successfully gave away 150 saplings for the good cause. To make this event more successful, participants were photographed with their planted saplings. Around 350 people including the college principal, faculty members and students joined us for this event with a noble cause. All in all, this three-day plantation drive proved to be a good chance for all of us to serve and protect nature.
