Name of the Department/Society: **National Service Scheme**

Name of the Event 32: Webinar on Cancer Prevention

Date of the Event: 06th February, 2021

We at NSS Hansraj connected with over 195 students online on 6th February 2021, for an informative session on "Awareness Regarding The Cancer Prevention". The speakers discussed both the topics comprehensively from 'Cancer Prevention' to 'Palliative Care'. Various queries of the audience regarding the same were addressed in the Q/A session which took place at the end of the webinar. Everyone took great interest in the session and learnt many new things about the preventive and care-giving approach in matters of cancer. It was indeed an informative and interactive session. We would like to express our heartfelt gratitude to Dr. Monika Koul ma'am for her gracious presence as well as to all those who attended the webinar and led our initiative to a successful outcome.
