The Career Advancement Workshop (CAW) was a focused, **two-day** event crafted for in-house members eager to elevate their professional journey. Designed with actionable insights in mind, the workshop offered skills that attendees could immediately put into practice, such as identifying personal strengths, setting clear career goals, enhancing communication and leadership, building strong networks, and overcoming academic and professional hurdles. A major emphasis on **CV-building** ensured that participants left with a standout resume tailored for today's competitive job market.

Guided by **Ms. Ashma Bakshi (President, Cases Over Coffee '24)** and **Ms. Vartika Verma (President, Hult Prize Hansraj '24)**, the sessions were a unique blend of expertise and mentorship. Both facilitators provided practical advice on

Placement procedures and personalized career guidance. By the end, attendees walked away not only with a refined sense of their career goals but also a well-defined roadmap for growth and success. The overwhelmingly positive feedback reflected the CAW's value, equipping members with the tools they need to move confidently toward their professional aspirations.
