Name of the Event 2: Webinar: Making Home a Safe Space, Free From Child Sexual Abuse

Date of the Event: 10th July, 2021

A raging pandemic has forced us all into the safety of our homes. But the love and protection children expect in their homes can often be eroded by violence and abuse. The problems that a child faces as a victim of sexual abuse are undeniably damaging and crippling. In order to shed more light on this topic, we at NSS Hansraj organised a webinar on 10 July, 2021. It spiralled around the sensitive ideas of Child Sexual Abuse, and volunteers were guided by Dr. Aditi, a lead trainer at Sakshi NGO. The webinar was aided by documentaries, videos and discussions that gave an insight into the fearful mindset of victims and the psychological and physical effects of such an abuse along with effective points on how to identify and curb it as a responsible and able 'Rakshin'. The webinar was deeply moving and profound and ignited a drive in everyone to ensure that no child be subjected to this atrocity.
