Name of the Event 61: Weekly Cleanliness Drives

Cleanliness is enviable for a healthy life. Keeping this in mind, we conducted weekly cleanliness drive under the but of Environment and Disaster Management wing to ensure people meanwhile packed in their houses, care for their surroundings and live a healthy and clean life.

The drive was a success which was only possible through our volunteers' enthusiastic approach. The volunteers participation was very good. They sent us the pictures before and after cleaning. We thank everyone who took part in this noble initiative and promoted a healthier and happier lifestyle.
