Name of the Event 40: Visit to the All India Federation of the Deaf

Date of the Event: 12<sup>th</sup> February, 2019

In the spirit of spreading love and inclusivity, NSS Hansraj organised a successful visit to the All India Federation of the Deaf, an organisation dedicated to being a sanctuary for those who are hard of hearing, providing vocational training to the hearing impaired underprivileged sections of our society. The volunteers were first given a tour of the area and introduced to the different classrooms and halls where activities such as sewing, photography, basic computer training and thread-making were taught and carried out with full vigour. Then, our volunteers brought out the entertainment! We played various games with the members: signal musical chairs, the action game, the balloon game and much more! It was a series of wonderful, interactive and heartwarming sessions. And after all the fun was over, we provided refreshments in form of Frooti and samosas, and distributed diaries and notebooks with heartfelt messages written on the covers. All in all, it was a delightful experience which lit up the souls of both the volunteers and the members of the foundation!
