"Freedom is never dear at any price. It is the breath of life.

What would a man not pay for living?" ~Mahatma Gandhi India's freedom fighters fought a long and hard struggle for the country's independence from the British and for years their words have inspired us.

We have finally completed 75 years of Independence and on this auspicious occasion of Azadi of Amrit Mahotsav we are ecstatic to start Project Amrit Manthan with the aim of planting 750 trees. We are commemorating this project from 26th January '22.

This is a green initiative from our side to protect and heal Mother Nature. People around the world should understand the need for a greener & cleaner planet. We all need to fulfill our responsibilities & make ample efforts to protect our planet.
