Name of Event : Plantation Drive

Date of Event : 9 April 2022

On 9th April 2022, a plantation drive was organised by the Green Warriors Club Hansraj in Sorkha Village, Noida in collaboration with an NGO "Give me Trees Trust".

Volunteers traveled to Noida and reached the agreed upon destination - Uday Upawan. There, the volunteers met Peepal Baba and other caretakers. Peepal Baba told the members about the importance of wildlife, native species that maintain an ecosystem and how his organisation converted a barren land into a lush and green forest area, home to many plants and animals. They gave members a tour of the entire place and described the various species grown there.

Then, the members reached the site of the plantation where they were taught the correct way of planting saplings. After receiving refreshments, the volunteers started going back with an awe-inspiring, adventurous yet peaceful memory of having spent some quality time in the cradle of mother nature.
