Name of the Event 49: SESSION ON POCSO ACT

Date of the Event: 5<sup>th</sup> April 2022

NSS Hansraj recently organized a session on POCSO Act at Sarvodaya Kanaya Vidyalaya. The session was conducted by five of our volunteers and over 50 students from classes 5th and 11th attended the program.

The event marked its beginning from the basic understanding of sexual harassment like good touch and bad touch and made the students aware of the fact that if they've been wronged, it's not their fault and how it's important to report it to the police so that the culprit doesn't repeat their mistake.

We also made them aware how POCSO Act is child friendly and therefore, they need not fear any consequences of reporting. It was made sure that the program was presented in a manner such that students from both the classes understood the act along with the rights under it.

The session was indeed insightful and an eye-opener for the students. It finally ended on a positive note followed by an enlightening Q/A round.
