**NAAC ACCREDITED 'A++' GRADE COLLEGE**

**2023-2024**

**Title of the event:** Inauguration of P.N. Bali Mushroom Cultivation Centre

**Organised by:** Department of Botany, Hansraj College

**Date:** 4<sup>th</sup> May 2023

**Number of Participants** = 21

**Convenor:** Dr. Savita

The P.N. Bali Mushroom Cultivation Centre was inaugurated on May 4, 2023, by the family of Dr. Pran Nath Bali, a founding faculty member of the Department of Botany at Hansraj College. This Centre for Skill Development aims to enhance employment opportunities, drive economic growth, and improve students' quality of life by imparting practical skills and promoting scientific innovation. Students are trained to cultivate oyster mushrooms organically, without harmful chemicals or costly methods. They also learn to grow button mushrooms and prepare compost for them. A workshop on mushroom cultivation was held to train students and faculty members in growing various types of mushrooms. Undergraduate students participate in research projects investigating the effects of different substrates on mushroom growth. Students involved in the mushroom cultivation project achieved first place in the poster presentation at the Annual National Conference on 'Advances in Plant Biology-2024' on February 10, 2024. Additionally, their innovative idea of using leaf waste to grow mushrooms won first prize at the National Science Day celebration on February 28, 2024. On February 23, 2024, the Centre was visited by faculty members from Shivaji College, Kalindi College, and Bhaskaracharya College.
