Name of the Event 6: Session on Cancer Awareness

Date of the Event: 13th August, 2019

As Cancer has become a serious concern in today's world, whereas people still treat it as a stigma and a taboo, we at N.S.S. Hansraj tried to deconstruct and understand this threat by conducting a seminar on 'Cancer Awareness'. Organised on August 13, 2019 in the college campus in collaboration with an N.G.O. 'Yoddhas - Indians Fighting Against Cancer', the seminar witnessed a remarkable participation as the students flooded in to be a part of the discussion. Mrs. Rishi Mandela Yadav, a trustee of the Yoddha foundation, and Mrs. Kajal Palli, a cancer survivor, enlightened and motivated the spectators with their knowledge. The event was overall inspiring and informative.
