We at NSS Hansraj, conducted an **awareness session on Beti Bachao Beti Padhao** in our adopted village, Yamuna Khadar on **19th June 2022** as a part of '**Beti Bachao Beti Padhao campaign**'. Our volunteers performed a skit about the importance of a girl child and her right to get a proper education. The skit elaborated on how educating girls can improve a country's social and economic well-being as educated girls can make informed choices. Further, additional information about the government scheme 'Sukanya Samridhi Yojana' which is affiliated to the Beti Bachao Beti Padhao Campaign was disseminated to all the people within the slum. This scheme talks about parents building a fund for the future education of their girl child.

The audience to this informative skit were the young children of the slum as well as their parents. A question-answer session was also conducted. Our assiduous volunteers went door to door to distribute scheme-related pamphlets to the people. The alacrity with which our team interacted mesmerized everyone and ended the session on a positive and successful note.
