Hence, to create awareness regarding Cleanliness and Sanitation, and to cater to the present young generation's need of such necessary information, N.S.S. Hansraj organised an interactive session for the students of Government Senior Secondary School, Roopnagar under the Swachhta Pakhwada. The students firstly took an oath to maintain cleanliness. This was followed by an informative lecture by the N.S.S. Volunteers on 'Cleanliness and Personal Hygiene'. Also, the sweepers of the school were felicitated with potted plants to recognise their contribution towards keeping the school campus clean. The event was overall an informative and motivational one.
