Name of the Event 17: Visit to Azadpur branch of Noida Deaf Society

Date of the Event: 28th September, 2018

"Of all the languages in the world, smile is the most powerful, effective and inclusive." On the second day, NSS Hansraj took the flags of 'Joy of Giving' week to the Azadpur branch of Noida Deaf Society, a school for the speech and hearing impaired children. The NSS team was greeted by sixty beautiful children and eleven trainers at the school. After an introductory session, the children were divided into three groups and gathered in different classrooms to indulge in fun games and activities. From urging them to paint their dreams on a paper to playing an innovative signal Musical chair, Memory tiling and the Elephant in the group, we made sure the special day is equally recreational and educational for the children. The visit ended with the prize distribution where the children taught us how to smile for your friends' success and how to clap so loud so as to make sure that the children were actually able to listen to the same. We thank the trainers at the school for their cooperation and help, the volunteers for their enthusiastic response and the children for teaching us so much about human values in so little time.
