We at N.S.S. Hansraj work for the holistic development and upliftment of all stratas of the society we live in. As event 4 under the aegis of our "Love Week 2020", we organised a visit to 'Earth Saviours Foundation', an organisation that works for the homeless and mentally deprived and helps them in their recovery, on February 11, 2020. The volunteers engaged the beneficiaries of the organisation through conversations and fun activities. The event was overall a heartwarming one.
