"Elections remind us not only of our rights but the responsibilities of citizenship in a democracy." Hansraj College went into the polls for Students' Union with great enthusiasm and fervour this year as well. But, unfortunately, the election campaign left the campus in shambles, because of thousands of pamphlets and posters used to promote the candidates, scattered on roads and in the college grounds. Continuing the mission of cleanliness, NSS Hansraj took onto the initiative and launched a 'Cleanliness Drive' around the campus where volunteers collected the same to be disposed off to suitable sites. The drive was appreciated by the teachers and students alike. We'd like to thank all the volunteers for their enthusiastic participation!
