On the occasion of Independence Day 2022 and celebrating 75 Years, IIC Hansraj College experimented with something new. We celebrated Independence Day by thanking the Indian Scientists. An essay/poster competition was announced. Twentythree entries were received in all. Students submitted posters dedicated to the contributions of Biologists, Chemists and Physicists. The dedicated poster on

individual contributions of Prof J.C. Bose, Ram Deo Misra and CR Babu were sent along with some were many Indian scientists together who have made their mark in various fields were submitted. Posters were digital and one or two were hand made. Essays on contributions that elucidated the contributions of the scientists that changed our understanding were submitted too. The Indian contribution to Science and Technology was the hallmark of our event.
