**learning outcome -**

In this period of digitalisation, every one depends on mobile phone for completing their work. Keeping this in mind and for making work more easier and time saving, these apps play an important role. This course will enhance the learning skills of students. After this course they can contribute in different areas.

The Zoological Society of Hansraj College and IIC Hansraj College organised a 10 Days Certificate Course in collaboration with SDC, Ambala Cantt, Haryana, on the topic, "[Android App Development for Beginners with Block Programming](#)". The esteemed speaker for the session is Dr. Mandeep Kaur, Assistant Professor, SDC, Ambala Cantt, Haryana.
