REPORT: - SEMINAR ON NATIONAL SCIENCE DAY

On the Occasion of National Science Day, Botanique- The Botanical Society and IIC organized a lecture by Professor K.S Rao on Climate Change- The science and knowledge. The lecture covered the science behind climate change, its impacts on ecosystems and society, and the urgent need to take action. Professor Rao highlighted a range of actions that can be taken to address climate change, including reducing greenhouse gas emissions, promoting renewable energy, and encouraging sustainable practices. The

lecture was informative and inspiring, emphasising the critical role of science in addressing the challenges facing our planet. Botanique is to be commended for organising this important event. Overall, Professor Rao's lecture was informative and inspiring, providing valuable insights into the science and urgency of climate change and the importance of action at all levels of society and the critical importance of National Science Day in promoting scientific literacy and engagement.
