## **OUTREACH**

The Internship Cell took various initiatives to reach out to the students of the Hansraj College. Course specific WhatsApp groups were formed that notified students regarding all the internship opportunities that were circulated. The groups also notified the students regarding various sessions conducted by the Internship Cell.

To ensure speedy redressal of the students grievances, a separate email account was set up icellhrcgrievances@gmail.com. All the grievances received were resolved in 24 hours. It ensured smooth and speedy communication between the cell and the students. The Internship Cell continued to post and create awareness regarding several topics of concern regarding internship, about the cell and its events by having a strong influence over social media platforms i.e. Facebook, Instagram and LinkedIn. There was a massive growth of followers across all social media's handles. The cell's Instagram account crossed 3,400 followers and the Facebook page crossed the 3300 mark of followers while on LinkedIn the

cell has over 1600 followers.

## **THE INTERNSHIP FAIR, 2022**

The annual flagship event of the Internship Cell, Hansraj College- **The Internship Fair 2022** was organised successfully. Because of the COVID-19 pandemic, the fair was held online this year as well. A separate website- [www.hansrajinternshipfair.com](http://www.hansrajinternshipfair.com) was set up to felicitate the event.

The event was graced by the presence of **40+** companies including highly acclaimed and reputed names such as **Byjus, Bajaj Capital, Decathlon, ExtraMarks, CRY, Josh Talks**, etc. Internship opportunities were offered in various profiles ranging across Finance, Research, Marketing, Human Resources, Content Writing, IT and many more.

The event was open to Undergraduate students from pan India. The students showed great enthusiasm and the event saw **3200+** registrations. The students registering not only belonged to the University of Delhi but several highly regarded institutions like Mumbai University, Christ University, Bangalore, St. Xaviers College, Kolkata, Loyola College, Chennai and a lot more.

It was a 3- day event. Q&A sessions were conducted by the company representatives to help the students better. There were almost **7700** applications and **over 2100** students were shortlisted for the further rounds of the selection process. Throughout the year, The Internship Cell tried its best to serve the students by informing them about the internship opportunities and also providing them with these, which can help the students in their corporate careers ahead.
