## **REPORT OF EVERY EVENT/WORKSHOP/SEMINAR ORGANISED IN THE ACADEMIC YEAR 2022-23**

### **Resume Building by Mark Rusio (Career Coach)**

In collaboration with the Internship Cell at Hansraj College, a webinar on "Resume Building" was conducted by renowned Career Coach, Mark Rusio. The session aimed to equip students with essential skills to craft compelling resumes for career advancement.

Key Highlights:

- Mark Rusio shared insights on the importance of a well-crafted resume in today's competitive job market.
- He emphasized the significance of tailoring resumes to specific job roles and industries.
- Practical tips were provided on structuring resumes, highlighting achievements, and incorporating keywords.
- Attendees gained valuable knowledge on optimizing their resumes to grab the attention of recruiters.

Overall, the webinar served as a valuable resource for students seeking to enhance their resume-building skills and maximize their career opportunities.

### **Awareness Programme on Commodity Derivatives by CA Hemraj Joshi**

An insightful webinar titled "Awareness Programme on Commodity Derivatives" was conducted by CA Hemraj Joshi in collaboration with the Internship Cell at Hansraj College.

The session aimed to provide attendees with a comprehensive understanding of commodity derivatives, focusing on their significance, functioning, and role in financial markets. CA Hemraj Joshi, with his expertise in the field, delivered key insights into the nuances of commodity trading, risk management strategies, and market trends.

Participants gained valuable knowledge on the fundamentals of commodity derivatives, including futures and options, and their applications in hedging and speculation. The webinar fostered an interactive environment, encouraging engagement and clarifying queries to ensure a thorough comprehension among attendees.

Overall, the event proved to be an enriching experience, equipping participants with essential insights into commodity derivatives and enhancing their proficiency in financial markets.

## **Personal Branding and Placement Cracking by Dr. Shubhra Chakraborty**

A webinar on "Personal Branding and Placement Cracking" was conducted in collaboration with the Internship Cell at Hansraj College. Dr. Shubhra Chakraborty, a renowned expert in the field, led the session.

Key Takeaways:

1. **Personal Branding Essentials:** Dr. Chakraborty emphasized the importance of personal branding in today's competitive job market. Attendees learned how to craft a unique personal brand that reflects their skills, values, and aspirations.
2. **Strategies for Placement Success:** Practical strategies were shared to crack placement interviews and stand out among competitors. From resume crafting to interview preparation, participants gained insights into securing coveted job opportunities.
3. **Building a Professional Network:** The webinar highlighted the significance of networking for career advancement. Attendees discovered effective ways to expand their professional network and leverage connections for career growth.
4. **Q&A Session:** A lively Q&A session provided attendees with the opportunity to seek personalized advice from Dr. Chakraborty. Common queries related to personal branding, interview techniques, and career planning were addressed.

Overall, the webinar provided invaluable guidance to students on enhancing their personal brand and succeeding in placement endeavors. Dr. Chakraborty's expertise and practical insights left attendees motivated and equipped with actionable strategies for career advancement.

Apart from this the cell has also organized workshops to help students develop their professional skills, such as communication, teamwork, and leadership.

### **Outreach:**

The Internship Cell took various initiatives to reach out to the students of the Hansraj College, Course specific WhatsApp groups were formed that notified students regarding all the internship opportunities that were circulated. The groups also notified the students regarding various sessions conducted by the internship cell.

To ensure speedy redressal of student grievances, a separate Email account was set up [icellhrcgrievances@gmail.com](mailto:icellhrcgrievances@gmail.com). All grievances received were resolved in 24 hrs. It ensured smooth and speedy communication between the cell and the students.

The Internship Cell continued to post and create awareness regarding several topics of concern regarding internships and about the cell and its events by having a strong influence over social media platforms i.e. Facebook, Instagram and LinkedIn. There was a massive growth of followers across all social media.

### **Internship Fair 2023:**

The Internship Fair, hosted annually by The Internship Cell, is a crucial event aimed at bolstering students' competitive advantage in the professional realm. In response to the associated restrictions, this year's fair seamlessly transitioned into a virtual format, welcoming students from colleges nationwide. In 2023, the response was phenomenal, with over 3000+ student registrations flooding in from various colleges and universities. Remarkably, 3,000 applicants were shortlisted from a pool of 12,000 applications. These fortunate individuals gained a priceless opportunity to enhance their skillsets and edge closer to their corporate aspirations. Participation in the Internship Fair equips members with not only exposure to coveted corporate opportunities, but also essential marketable skills honed through planning, organization, promotion, and execution of this grand event. The Fair symbolizes The Internship Cell's dedication to nurturing and guiding students towards success in a fiercely competitive job market. It is an event that leaves an enduring impact on participants' academic and professional journeys, providing a pathway to excellence in their chosen careers.
