“

The Placement Cell plays a fundamental role in providing the right opportunities to the students as they embark upon their journey from college life to the corporate world. The finest academic talent pool of Hansraj has proved its capabilities over the years by becoming treasured assets of the organizations they have been a part of and how they have transformed themselves into astute and pragmatic leaders of the future.

The Cell has undertaken myriad initiatives to upskill the students and facilitate their holistic development so that they can make better-informed decisions and are better prepared for the dynamic and challenging placement processes besides fulfilling the gap to marry up the requirements of the companies with the right skill sets of the students.

The Placement Session 2022-23 witnessed 280+ firms from diverse sectors taking part in the placement drives and making 540+ offers to the students. It was a matter of pride to onboard a significant number of new and eminent organizations this year. This remarkable year-on-year surge in the number of new recruiters and the quality of the placement opportunities is a testimony to the utmost diligence and consistency of the Placement Team.

As we commence the next session, it gives us immense pleasure to extend a heartfelt welcome to our distinguished recruiters to take part in this journey towards excellence, and look forward to yet another record-breaking Placement Season!
