Description of the event

The Digital India Talk Show was an insightful event focused on key digital transformation initiatives in India. The event commenced with a ceremonial lamp-lighting by the distinguished speakers who were then presented with mementos by professors Dr. Pooja Jha and Mr. Suyash Kumar. Dr. Baljeet Kaur from Hansraj College welcomed the audience followed by engaging sessions led by experts from the National e-Governance Division (**NeGD**), Ministry of Electronics and Information Technology (**Meity**).

The esteemed speakers included Mr., Karan Tandon, Senior Manager, shed light on **Digi Locker and Entity Locker**, revolutionizing document management. Mr. Arshil Khan, Team Lead-Cyber Law, discussed about **Cyber Security and Digital Data Protection Act**, emphasizing the cybercrimes and various government measures like Cyber Swachhta Kendra and Sanchar Sachi for security and avoidance measures. Mr. Sanjay Patel, Team Lead-Open Forge, presented on **Open Forge, and CollabWithGov** offering opportunities for skill enhancement and collaborative development in government projects.

Mr. Abhinav Sharma, Deputy Manager, unraveled the potential of **ABC/NAD- APAAR**, leveraging digital transformation for certificate, degrees and credit systems. Mr. Suman Prasad, Dy. General Manager showcased **UX4G** which enhance user experience in government services and **UMANG** (Unified Mobile Application for New-age Governance) which is a comprehensive mobile app that provides access to a wide range of central and state government services in India..

The event concluded with a **quiz competition**, testing the students' grasp of the topics, and winners received prizes. Mr. Suyash Kumar expressed gratitude to the speakers, attendees, and organizers in the closing remarks.

The sessions sparked engaging discussions, making the event a significant step in raising awareness about digital governance and cybersecurity. As India moves forward on its digital journey, such events inspire a new generation of digital pioneers and contribute to building a digitally empowered nation.
